SUMMER 2015

WELCOME ABOARD!

The Queen of Hearts is a beautiful Pearl 60 motor yacht. The sleek exterior lines hide spacious accommodation combined with classically opulent styling, making her the perfect choice for families, couples and groups of friends.

With three areas in which to dine - one inside, one on the aft deck and one on the fly bridge, there is no shortage of areas in which to relax and enjoy good food with a glass of wine.

The Master cabin and VIP staterooms are separated by the full length of the boat, offering maximum privacy to guests. One generous twin cabin is located amidship on the port side, with the other serving as a crew cabin, making the Queen of Hearts a six guest plus two crew motor yacht.

QUEEN OF HEARTS

THE SALON & DINER

The Salon is the perfect area in which to sit back and relax. Whether it be reading a book, watching a DVD or playing games with the children, the salon is a comfortable, bright space in which to be.

Ambient lighting, plush carpets and leather seating create a luxurious modern feel throughout. The open plan layout of the Salon and Diner make for a spacious, light and communal area.

On the starboard side of the Yacht, opposite the Diner, is a well appointed Galley.

As with all interior areas of the yacht, the Salon and Diner are fully air conditioned for your comfort. There is a large TV, DVD player, Bose sound system, and for the children (and adults) a Wii console.

THE MASTER CABIN

Situated in the aft section of the boat, the Master cabin is the largest of the cabins and offers maximum privacy. With windows to the aft and port side, the Master cabin is light and airy.

A large comfortable bed with memory foam mattress and luxury bed linens occupies the centre of the room. A dressing table and sofa area make the Master cabin an extremely comfortable space in which to get ready for an evening out or to sit and relax.

The en-suite shower room is fitted with a power shower and body jets. Ample storage space and a granite counter top make for a luxurious feel. High quality bath and hand towels are provided.

Flat screen TV, Bose sound system and individually controlled air conditioning are all present within this cabin. Dimmable lighting and reading lamps create a romantic feel.

THE VIP CABIN

The VIP is located at the front of the Yacht nestled within the bow. Wake in the morning and draw back the roof blind to the welcomed sunshine beaming in through the skylight.

Separate wardrobe space and side drawers mean there's no shortage of space in which to place your belongings.

The en-suite shower room has a roomy power shower with seated area, ample mirrors and storage.

Flat screen TV, sound system and individually controlled air conditioning are also fitted. A small hair dryer is available for your use (in all cabins).

PORT SIDE TWIN

An ideal cabin for children of all ages as well as adults. The beds are wide and long so can comfortably accommodate most people.

For parents with children, this cabin is perfectly located next to the VIP cabin, so your favourite little people aren't far away. Safety side panels can be fitted to the beds to ensure your little ones don't roll out in the night!

This cabin shares a bathroom with the starboard twin. The bathroom shares the same proportions as the VIP bathroom, is well appointed and easily accessible just across the walkway.

Flat screen TV, sound system, air conditioning and an abundance of children's games are available within this cabin.

OUTSIDE SPACE

With two outdoor seating areas in which to dine, the Queen of Hearts is the perfect choice for those wanting plenty of outdoor space.

Enjoy breakfast on the aft deck or lunch on the fly bridge. Perhaps pre-dinner cocktails on the bow. There is no shortage of seating and sunbathing areas from which to choose.

The fly bridge (top deck) is complete with ice maker, sink area and a fully stocked fridge (help yourself!) A collapsible bimini cover means there is the choice of sun or shade. Play your favourite songs on the Bose sound system whilst cruising along.

CONTINUED...

OUTSIDE SPACE (CONTINUED)

For the adrenaline seekers, go for an exhilarating ride in our Williams tender, capable of speeds of up to 40 knots, perfect for zooming around! For those wanting a more sedate experience, a steady drive exploring the caves and coves that the areas have to offer is perfect. If you're really brave try our inflatable donut, it's great fun for all ages!

We also have on board the highly popular paddle boards, which are great for getting closer inland and good for fitness. Various flotation aids, snorkels, flippers, masks and fishing equipment are also available for your enjoyment.

For those less confident in the water, a hydraulic swim platform to the aft of the boat means we can gently lower you safely into water, or you can use the swim ladder that makes for an easy entry and exit. There is an aft deck shower for your convenience, and a screen is available for the aft deck to create more shade or privacy whilst dining and relaxing.
